

Zydus to commence supplies to the US market from its
formulation manufacturing facility at SEZ

Receives approval for Doxycycline Capsules USP

Ahmedabad, 19 February 2016

Zydus Cadila has received approval from the USFDA to market Doxycycline Capsules USP, 50 mg, 75 mg, and 100 mg. The drug falls in the anti-bacterials segment.

With this first approval, the group will now commence supplies to the US market from its formulation manufacturing facility located at the SEZ in Ahmedabad.

The group now has 102 approvals and has so far filed over 280 ANDAs since the commencement of the filing process in FY 2003-04.
