Re.: Announcement	

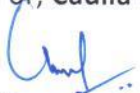

Dear Sir / Madam,

We hereby inform that the Company's Moraiya manufacturing facility has received an Establishment Inspection Report (EIR) from the USFDA. This receipt of EIR only indicates closure of the inspection points (483s) raised based on the inspection carried out between 28th August, 2014 and 5th September, 2014. What is "closed" is the initial review that resulted in the warning letter issuance. Though this is a positive step towards the resolution of the warning letter issued by the USFDA, it does not in itself indicate resolution of the warning letter. The company is in constant follow up with the USFDA for resolution of the warning letter.

Please bring the aforesaid news to the notice of the members of the exchange and the investors' at large.

Thanking you,

Yours faithfully,
For, Cadila Healthcare Limited
